

Privacy Policy

Last edited on 17-08-2026

General principles

Pray With Me ("PWM," "we," "us," or "our") is committed to protecting your privacy. By 'your information' we mean any information about you collected through your use of the app. This policy relates to the privacy of your information within the Pray With Me app and the services it connects to.

The Pray With Me App

1. Information we collect

The app does not require you to create an account. It does not knowingly collect your name, email address, or other directly identifying information through automatic means.

The app's "Suggest a Servant of God" and "Share a Grace" features open your device's Mail app with a pre-filled draft. Nothing is sent automatically — the email is composed and sent by you, and any personal details you choose to include are shared with us the same way any email is.

The app uses the Branch SDK to enable deep linking (opening the right content when you tap a shared link) and to measure how the app was discovered. Branch may collect device and app-install identifiers, IP address, general location inferred from IP, and referring link/install events. If you grant permission via Apple's App Tracking Transparency prompt, an advertising identifier (IDFA) may be used for install attribution.

Your selected language and standard request metadata (approximate timestamp, IP address, app version) are logged by our hosting provider to deliver content and keep the app in sync.

Preferences such as font size, text justification, language, and reminder time are stored only on your device and are never transmitted to us.

2. Use of cookies

The Pray With Me app does not use cookies.

3. Sharing of information

We do not sell, rent, or trade your personal information. We share limited information only with service providers needed to operate the app: Branch (deep linking/attribution), Apple (App Store and notification frameworks), and our hosting provider (server infrastructure).

4. Your rights

Depending on where you live, you may have the right to access, correct, delete, or restrict use of your information, and to lodge a complaint with your local data protection authority. To exercise these rights, contact us using the information below.

5. Children's privacy

Pray With Me is intended for a general audience and is not directed at children under 13. We do not knowingly collect personal information from children under 13.

The Pray With Me App Privacy Principles

- The app does not require account creation.
- The app does not use cookies.
- We do not sell your personal information.
- Information you send us directly is sent only through your own email, at your choice.

If there are any questions regarding this privacy policy you may contact us using the information below.
